

Dear Perspective Arapaho Day School Families,

At Arapaho Day School, we take pride in offering a comprehensive preschool program dedicated to nurturing the holistic development of every child. Our team consists of highly qualified early childhood educators who employ play-based learning in a vibrant, loving, and Christian environment. With small class sizes, daily movement and music classes, weekly sensory motor and spiritual sessions, special events, and a strong sense of family, Arapaho Day School stands out as a place where your child's growth and well-being are prioritized.

For the 2023-24 school year we are streamlining the enrollment process by moving it entirely online this year. After reading this please fill out the enrollment form inquiry by clicking the button below. Upon submission, your inquiry will be time-stamped, and I will respond within 48 hours with details on completing the enrollment process. Your enrollment is complete when you sign your tuition agreement and enrollment fee is paid. I will send you a conformation email.

Enrollment fees are **\$250**, with a reduced fee of **\$200** for additional children or classes. Supply fees are **\$150** for a 2-day class and **\$250** for a 4-day class. If you are registering for both the Monday and Wednesday (MW) class and the Tuesday and Thursday (TTh) class, and you prefer a 4-day schedule in either the infant/toddler or preschool program, please be aware that enrollment and supply fees are applicable for each class.

For the 2024-25 School Year, we are pleased to offer the following classes and corresponding tuition:

- Infant/Toddler (3–30 mo.): 2 days (M/W and/or T/Th) - **\$400**
- Preschool (2.5-3 yr.): 2 days (M/W and/or T/Th) - **\$350**
- PreK (4 yr.): 4 days (M-Th) - **\$560**
- TK (4 yr. 8 mo.): 4 days (M-Th) - **\$610**

All tuition and fees will be processed through ChildPilot, and we accept both credit card and ACH (Electronic check) payments.

Opting for ACH payments will grant you a \$10 monthly tuition discount.

With small class sizes, daily movement and music classes, weekly sensory motor and spiritual sessions, special events, and a strong sense of family, Arapaho Day School stands out as the ideal choice.
